IJR, Inc. Adds HP88xl's to the Performance Plus Inkjet Line

Phoenix, AZ – IJR, Inc. announced it now stocks remanufactured Performance Plus HP88's as an addition to their off-the-shelf line of inkjet products.

IJR's Performance Plus HP88xl line includes 20 ml. cartridges in cyan, magenta, yellow and HP88 black along with a 58 ml. HP88xl black cartridge. The chip has been replaced to ensure total print system compatibility. The specially formulated inks have been tested to ensure color and print quality that match the OEM.

View IJR's website for new products and special promotions on the Performance Plus product line. Private label programs available for all IJR products. Contact IJR for your password to enter the Dealer section of our website.

IJR, Inc. is a global leader specializing in remanufactured inkjet and laser cartridges.
