IJR, Inc. Adds MICR Toners to the Performance Plus Line

Phoenix, AZ – IJR, Inc. today announced the expansion of its laser cartridge line to include MICR toners. This new addition to its ever-expanding toner list includes 17 HP and 3 Lexmark black remanufactured MICR cartridges.

“We’ve been receiving an outpouring of calls from our dealers who have been anxious for us to include MICR cartridges within our toner product offering. We’re confident our new line matches OEM MICR toner standard, and will continue to back our product with our 100% satisfaction guarantee,” said Terry Bankert, sales manager of IJR. These specially formulated magnetic toners, used primarily by check printing organizations, comply with financial institution industry standards.

View IJR’s website for new products and special promotions on the Performance Plus product line. Private label programs available for all IJR products. Contact IJR for your password to enter the Dealer section of our website.

IJR, Inc. has been a global leader specializing in remanufactured inkjet and laser cartridges for more than 30 years.
