IJR, Inc. Expands Remanufactured Inkjet Line

PHOENIX, Arizona – IJR, Inc. is expanding its Performance Plus+ remanufactured inkjet line with the addition of four new cartridges. The HP series 74, 74-XL, 75, and 75-XL is being remanufactured for use in the newest HP desktop inkjet printer models.

The demand for remanufactured cartridges for use in HP's Deskjet D4260, Officejet J5780 All-In-One, and PhotoSmart's C4280 led IJR to develop it's new line of cartridges and become the industry leader as the source for these popular inkjet cartridges.

Performance Plus+ inkjet cartridges provide high quality, low cost solutions to it's customers inkjet needs. The cartridges are available in cyan, magenta, yellow and black.

IJR, Inc. has been a leader in the remanufacturing of quality imaging supplies for more than 29 years.
